Upcoming Periodic Single-Lane Closures on Part of Camp Meeting Road

PITTSBURGH – The Department of Public Works announced today that periodic single-lane closures on Camp Meeting Road in Bell Acres Borough, Leet Township, and Leetsdale Borough will begin at 6 a.m. on Monday, June 20, 2022. The restrictions will occur between 6 a.m. and 6 p.m. on weekdays between Camp Meeting Road Extension and Beaver Street, and they are expected to end in November. They are required for milling and paving, drainage improvements, shoulder work, and guide rail replacement.

Drivers can expect to experience short stoppages at work zones, and flaggers will be used to control traffic.

Later this year, as part of the same project, Camp Meeting Road will be fully closed between Charleston Square and North Lane for slope stabilization work. Traffic will be [detoured](#) using Beaver Street, Little Sewickley Creek Road, and Fern Hollow Road. Residents living within the closure area will have access to their homes at all times.

The start date for the full closure has yet to be determined. When plans are finalized, that information will be provided to the public via [press release](#), [Facebook](#), [Instagram](#), [Twitter](#), [Nextdoor](#), and [Allegheny Alerts](#).

The work will be done by A. Folino Construction, Inc., of Oakmont as part the \$7.3 million 2022 Capital Roads contract.
